2011 Special Display Race Cars

Lance Miller will help us showcase this year's race car theme by bringing the legendary 1960 Briggs Cunningham # 3 Corvette. Lance fulfilled his dad's dream on June 2010 by completing the restoration of this car to its original race condition and took it to Le Mans to celebrate the 50th anniversary of Corvette's first participation in the world's most celebrated sports car race and its first place in the large displacement GT category.
