Come out and bring the kids to this fun filled, family friendly event. Last year we had many newer and older Corvettes participate from any states! This car show is an annual FUND RAISER for the Chip Miller Amyloidosis Foundation. All monies raised from this event will be given directly to the Foundation to be used for research for this rare and deadly disease. We need YOUR help to make this a fun and successful show!! **This year, this will be a (1) Sanctioned show!**
